### Summary

Results-driven Web Developer with hands-on experience in HTML, CSS, JavaScript, React, Node.js, and RESTful APIs. Skilled in developing responsive and accessible web applications, improving site performance, and implementing cross-browser compatible features. Proven ability to collaborate with design and back-end teams in Agile/Scrum environments. Strong understanding of version control (Git) and deployment using CI/CD pipelines. Committed to writing clean, maintainable code and delivering high-quality user experiences.

### Skills

**Programming & Querying:** SQL, Python, C++, Html, Css, Javascript

**Web Development:** React.js, Node.js, Express.js

**Databases:** Firebase(NoSQL), Supabase(MySQL).

**Version Control:** Git, GitHub.

### Experience

#### Web Designing Training

June 2024 – August 2024

*Dataview Analytics*

*Tools Used: Html5, Css3, Javascript*

- Designed and developed, **responsive websites** using **HTML5, CSS3, JavaScript**, and **Bootstrap/Tailwind CSS**.
- Created high-fidelity **UI/UX mockups** and interactive prototypes using **Figma** and **Adobe XD**.
- Developed and maintained **design systems** to ensure brand consistency across web platforms.

#### ReactJs Training

June 2025 – August 2025

*Dataview Analytics*

*Tools Used: Reactjs, Tailwindcss, Supabase, Three.js*

- Developed responsive and dynamic web applications using **React.js, Tailwind CSS, and JavaScript ES6+**.
- Integrated **RESTful APIs and Supabase client libraries** for data storage, authentication, and CRUD operations.
- Implemented full-stack functionality using **Supabase** for authentication, real-time databases, and backend logic.
- Managed project versions using **Git** and **GitHub**, with pull requests and issue tracking for collaboration.

### Projects

#### Portfolio | *Html5, Css3, Javascript*

Sep 2024 – Oct 2024

- Developed responsive and mobile-friendly websites using **HTML5, CSS3, and JavaScript**.
- Designed and implemented custom forms with real-time validation using **JavaScript**.
- Showcased projects and source code in a live portfolio: [Link](#).
- Applied consistent styling across pages using **CSS variables, transitions, and animations**.

#### Book Library | *Reactjs, Supabase, Tailwindcss, Three.js*

April 2025 – May 2025

- Constructed a full-stack **Book Library application** leveraging **Supabase** for backend services and real-time database management, implementing **Three.js** to add engaging **3D animations**.
- Designed a fully responsive, mobile-friendly interface using **Tailwind CSS**, optimizing for both light and dark themes.
- Integrated **Three.js** to create visually engaging 3D animations and enhance user experience with interactive graphics.
- Secured user accounts and sessions with **Supabase Auth**, enabling user-specific data operations.

### Awards & Certifications

- **Web Development(Codsoft) – (June 2025 - July 2025):** Completed a **Web Development Internship** at **BCC15CE**, gaining hands-on experience in Web development and real-world project collaboration.
- **NSS Certificate – Year (2020 - 2022):** Selected for the **state-level NSS camp** in **Chidawa** after active participation and **leadership** in the **school-level NSS program**.
- **Paryavaran Ratna Award – 2015, H.T.M High School:** Earned both **A Certificate (Flower category)** and **B Certificate (Animal category)** in 2015, demonstrating dedication and achievement in extracurricular programs.

### Education

**B.Tech. Computer Science Engg and Technology**

**Graduated: 2026**

*BRCM College Of Engg and Technology, Bahal(Bhiwani)*

*CGPA: 8.0 / 10*
